Audit Manager

Description

Vrakas CPAs + Advisors is one of the largest **independent** CPA firms in southeastern Wisconsin. We have been growing rapidly, and have recently opened a second office in fast-growing Kenosha community.

We are currently seeking an audit Manager for our Audit and Business Advisory practice in Brookfield, WI

Responsibilities

- Supervising audit and review engagements for closely-held businesses
- Consulting with clients on a variety of accounting and business matters
- Training and developing staff
- Assisting on accounting due diligence projects

Requirements

- Bachelor Degree in Accounting with valid CPA License
- 5+ years of public accounting experience
- Ability to multi-task
- Strong people skills
