## Job Description

Vrakas CPAs + Advisors is one of the largest *independent* CPA firms in southeastern Wisconsin. We are looking for an **Experienced Small Business Accounting Associate** to join our team in our newly opened and rapidly growing Kenosha office.

As an experienced Small Business Accounting Associate at Vrakas, opportunities will include:

- ✓ Gain hands on experience and training in assisting our small business accounting clients with the preparation of their monthly, quarterly and annual financial statements.
- ✓ Complete special projects at the requests of our clients in support of their financial reporting needs.
- ✓ Gain hands on experience and training in various areas, working with our clients who compete in a wide variety of industries.
- ✓ Numerous opportunities to work directly with partners, managers and other members of the Vrakas team.
- ✓ Work directly with our clients and their owners.
- ✓ Work in an environment structured around providing personalized learning opportunities for all team members so that everyone is able to have a positive and beneficial experience.
- ✓ Enjoy friendships, social activities and team outings and encourage a work-life balance.
- ✓ Assist in the preparation of various tax returns including corporate, partnership and individual returns as well as other federal and state filings. In conjunction with the preparation of these returns, Accounting Associates will develop experience on a variety of tax planning and research projects.

## Qualifications

Successful candidates will have:

- ✓ An undergraduate degree in accounting or two year associates degree in accounting
- ✓ The ability to work effectively in a team environment with all levels of client personnel in various industries
- ✓ Excellent written/verbal communication and collaboration skills
- ✓ Integrity within a professional environment
